

To the lady living at this address:

I also live in this neighborhood and have a problem!!!! You have a kid that is mentally handicapped and you consciously decided that it would be a good idea to live in a close proximity neighborhood like this???? You selfishly put your kid outside everyday and let him be a nothing but a nuisance and a problem to everyone else with that noise polluting whaling he constantly makes!!! That noise he makes when he is outside is *DREADFUL!!!!!!!!!!* It scares the hell out of my normal children!!!!!!!! When you feel your idiot kid needs fresh air, take him to our park you dope!!! We have a nature trail!! Let him run around those places and make noise!!!!!!!! Crying babies, music and even barking dogs are normal sounds in a residential neighborhood!!!! He is NOT!!!!!!!!!!!!!!!!!!!!

He is a hindrance to everyone and will always be that way!!!! Who the hell is going to care for him?????? No employer will hire him, no normal girl is going to marry/love him and you are not going to live forever!! Personally, they should take whatever non retarded body parts he possesses and donate it to science. What the hell else good is he to anyone!!! You had a retarded kid, deal with it... properly!!!! What right do you have to do this to hard working people!!!!!! I HATE people like you who believe, just because you have a special needs kid, you are entitled to special treatment!!! GOD!!!!!!

Do everyone in our community huge a favor and MOVE!!!! VAMOSE!!! SCRAM!!!! Move away and get out of this type of neighborhood setting!!! Go live in a trailer in the woods or something with your wild animal kid!!! Nobody wants you living here and they don't have the guts to tell you!!!!

Do the right thing and move or euthanize him!!! Either way, we are ALL better off!!!

Sincerely,

One pissed off mother!!!!
