ARNOVA | 10 G2

1 GHZ

Android Gingerbread™ user interface[1]
Interface[1] utilisateur Android Gingerbread™

Key features:

● **Ultra-responsive 10.1" Multitouch Capacitive Display**

● **Powerful ARM Cortex™- A8 1GHz Processor**

● **1080p Full HD Video Playback**

Arnova introduces its next generation of Android™ based tablets powered by a quick 1 GHz processor. This second generation comes with an ultra-responsive multitouch capacitive screen and optimised Android™ 2.3 Gingerbread operating system. This smart combination between high performance hardware and intuitive software will offer you many ways to use your tablet. The Arnova 10 G2 allows you to browse the web smoother than ever and play HD videos in 1080p quality. You can also access a whole world of Android™ applications. Everything is possible with the Arnova 10 G2 new generation—all pure ARNOVA style; good quality for an affordable price.
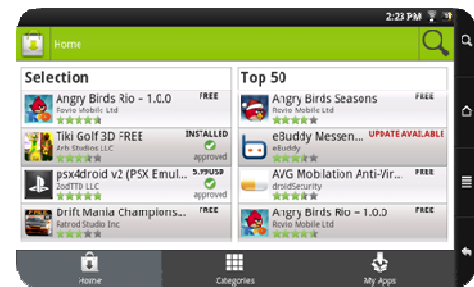

Capacities Overview:

- **Access to the Android™ apps**
  All your favorite and popular Android™ applications are downloadable directly from the AppsLib web store. Whether you are looking for games, daily news, sport results, social network or even ebooks you will find what you need.

- **HD Multimedia**
  Load all your HD videos, pictures or movies and view the high quality HD (1080p).
  With the Arnova you can navigate through your applications easily and efficiently thanks to the very responsive 10" capacitive multitouch screen. What more could you need!?

- **Full web experience**
  Browsing the web has never been as easy as on the Arnova 10 G2. With just a touch of a finger you can receive and send all your emails directly from the tablet. You can also watch videos from the web with included flash capability and not have to worry about format issues.

Access the world of Android™ apps

Android™ applications ready for your tablet
Arnova has pre-installed an enjoyable selection of Android apps ready to be used straight out of the box. If you need more, you can also access to the variety of applications from AppsLib. Download what you need: games, news, communication, office software, books—everything is just under your fingertip.

Fast & easy access to the latest news
Use either the web browser or an application to keep you informed of live updates. Access your favorite news-papers, sports or financial information by just a tap on the touch screen. Thanks to the AppsLib rating system you can now be informed of app popularity before you download it!

All the information with a single tap!
Set up different services to appear as live widgets on the several home screens provided, so you can stay tuned with the information that matters to you.

HD Multimedia

Its new generation of powerful 1 GHz processor delivers an amazing HD playback experience, smooth photo slide show and fast web navigation.

Video, Photo and Music entertainment

The Arnova 10 G2 provides the best HD multimedia experience when you are on the go. The device is able to play HD files up to 1080p definition without any conversion needed. Most of well known file formats are supported whether it is video, audio or text content. And it's easy to transfer your files into the built-in or extended memory with simple drag and drop.

Extra features
With the memory card slot load your whole pictures, videos and music library. Wherever you are, you always keep your files with you.

Want to share the Arnova 10 G2 entertainment? Pump up the volume and enjoy the clear quality sound through the built-in speaker.

Android™ 2.3 Gingerbread embedded
The Arnova new generation integrates the optimised Google mobile operating system: Android™ Gingerbread. This provides a better user interface design with new themes, redesigned multitouch keyboard and improved internet navigation. Android™ 2.3 will let you play with the many features supported by the Arnova 10 G2.

Full web experience

Browse the web smoothly and quickly thanks to the powerful 1 GHz processor. Faster than ever, appreciate the real full web experience on the fast responsive 10.1" capacitive touch screen and navigate your favorite websites. Flash support allows you to watch and access any flash content such as Youtube™ videos.

Keep connected with your friends through social networking & chat applications
This new tablet provides you access to stay in touch with your family and friends anytime of the day thanks to social networking & chat applications. With its redesigned multitouch keyboard, it's a breeze to write text and emails on the Arnova 10 G2

Email application
Once connected to the WiFi network, the ARNOVA 10 G2 lets you manage your emails accounts whenever you want. You can configure a variety of email accounts, giving each member of the family quick and easy access to their own messages. Even if you are on the go you will be able to synchronize and receive your important business emails.

Logistical information

PN	501766
Designation	ARNOVA 10 G2 4GB EU/US
EAN	690590517660

PRODUCT	

Unit(s) per box	1
Product weight (g)	Approx. 542g
Packaged Product Weight (g)	Approx. 984g
Packaging dimensions (unit box)	
Length mm	300
Width mm	246
Height mm	50

MASTER CARTON	
Units Per Master carton	10
Loaded Master Carton Weight (kg)	Approx. 10,9 kg
Master Carton extern dimensions	
Length mm	540
Width mm	315
Height mm	280

PALLET (100x120 cm pallet type) Standard Production Palletization	
Units Per Pallet	300
Master cartons Per Pallet Layer	6
Layers Per Pallet (Hi)	5
Loaded Pallet Weight Kg	Approx. 337 kg
Pallet dimensions	
Length mm	1200
Width mm	1000
Height mm	1550

PALLET (80x120 cm pallet type)	
Units Per Pallet	200
Master cartons Per Pallet Layer	4
Layers Per Pallet (Hi)	5
Loaded Pallet Weight Kg	Approx. 228 kg
Pallet dimensions	
Length mm	1200
Width mm	800
Height mm	1550
