A: I was introduced to Bill and the person who introduced us mentioned the brand new lockerroom for the womens basketball program. I along with the building manager, as well as Joan and Mr. Cosby all went into the lockerroom together to see the lockerroom. We stayed in the lockerroom and discussed all of the new fixtures and then we left.

Q: What was the extent of your conversation with Cosby?

A: Talked about the team and fixtures, talked about it being a brand new lockerroom.

Q: What was the nature of that encounter?

A: He just said, "What do you do here?" He asked me about my position with Temple.

Q: How long did this interview last?

A: Forty-five seconds. He had a couple of questions to ask me.

Q: When did you next hear from Cosby?

A: A couple of days after this game he called the office.

Q: What was the purpose of Cosby's call to your office?

A: I don't know.

Q: What did you discuss with him?

A: We discussed the game and the visit to the locker room and whether Coach Staley had paid for the lockerroom out of her own pocket or who had paid for it.

Q: How long did this conversation last?

A: It lasted about seven or eight minutes because while I was on the phone with him I put the phone down and went in to talk to the coach. I told Coach Staley that Mr. Cosby's on the phone and he's asking questions. I asked her how we had paid for the renovations to the locker room. She said tell him that I'll get back to him. So I said, "Mr. Cosby, Dawn is aware of all of the financial parts of the renovations, so it is best to talk to her." And that was the end of our conversation. Before he hung up he said, "Dawn shouldn't have to pay for those things out of her own pocket." He said, "I think that's crazy. That's wrong." He said that he was going to call the athletic director. He said, "I'll get back to you about this matter."

Q: Did Cosby call you back?

A: Yes. Over the next month or two, Mr. Cosby periodically called the office to speak with someone. Sometimes we had conversations on the phone but I reiterated to Mr. Cosby that I really couldn't discuss the lockerroom renovation. In a conversation he encouraged me to speak to the athletic director to brainstorm on ways to come up with money to pay for the renovation.

Q: Following these conversations over the next two months, did Cosby provide you with a phone number to contact him?

A: Yes, he did.

Q: What number did he provide?

A: A home number. What I thought was a home number.

Q: Did you give a personal phone number to Cosby?

A: I don't know when exactly I gave it to him. We exchanged numbers. And when he gave me his number he said this is for my residence in Philadelphia.

Q: What phone number did you provide Cosby?

A: I provided him with my cell phone number.

Q: Was that a personal cell phone?

A: Yes

Q: Do you remember the phone number or service provider?

A: The service provider was Sprint. It started with a (267).

Q: When did Cosby first contact you on your personal cell phone?

A: Before he invited me to his home. I think he was asking me for a number that wasn't at the office so that he could contact me to make the arrangements to go to his home for dinner.

Q: Was the first time he contacted you on your cell phone to invite you to his residence?

A: I'm not sure.

Q: What was the language Cosby used when he first invited you to dinner?

A: "I'm coming into Philadelphia. I have some things to do there. I will be at my house. The chef will be up there and you can come up and have dinner. What do you like? Do you like chicken or fish? Do you like broccoli?" He said that the chef is out here and we're going to have a meal. He was very cordial and sincere.

Q: Did Cosby provide his address or directions to his home?

A: He did not provide directions but he provided New Second St. He said, "I'm not calling you. You will hear from the chef." He said, "Whatever you want to eat is what the chef will cook." The chef called me and gave me directions to the house. The chef said, "Call us when you get close."

Q: What time did you arrive at the Cosby home?

A: I arrived there around seven o'clock PM.

Q: Did you drive to the residence?

A: Yes. I always drove to the residence.

Q: What kind of vehicle did you drive?

A: I drove a Volkswagon Beetle.

Q: Can you describe this encounter with Cosby?

A: I came in the door. I met the chef. He was preparing dinner. After five minutes, I went to the back room. Mr. Cosby lit a fire because it was cold in the home. I sat down and we just conversed. After about twenty minutes, the chef brought my dinner and asked if I wanted a glass of red or white wine. I said that I would have just a little bit of red wine. After this, I ate my meal. Mr. Cosby wasn't even really present. He was talking to his chef. Cosby didn't eat with me. I ate my meal on the sofa just watching the fire. He wasn't present while I ate dinner.

Q: There was no table set for dinner?

A: No table set for dinner.

He later came back and asked if I would like a sweet liquor after dinner. I refused and said that once in a while I have warm cognac or brandy. He said that he had a very old bottle that I should try. He went to his liquor cabinet and got cognac or brandy. He showed it to me and said it was a rare liquor. I tasted the brandy.

Q: What happened after that?

A: I sipped on the brandy, watching the fire. Mr. Cosby came and sat next to me. I gave him a hat, a t-shirt and some incense. And he thanked me for them and he opened them right there. As time passed, I was sipping on my brandy, I didn't drink the whole glass. At one point he went to put more brandy in my cup but I was ready to make a move to get home. I was restless. So then he reached over and he touched my pants and my inner thigh and was coming very close to.. he was touching my clothes and my waist and my inner thigh. And he commented on my pants. I dismissed myself to go to the bathroom and I gathered my purse and everything to go. Before I left he gave me a bottle of perfume and thanked me for the gifts, which I brought.

Q: Did you in any way encourage this advance?

A: No I did not.

Q: What were you feeling when you left Cosby's home?

A: I was kind of embarrassed actually. Cause we had just had some light conversation about my family. I never really thought he would have hit on me. He is much older than my father. I felt awkward.

Q: How long were you at Cosby's home?

A: I was there about two and a half hours.

Q: Did you go straight home after this first encounter?

A: Yes, I got into my car and went back to my house.

Q: Did Cosby kiss or hug you when you left?

A: No. It was like alright, kid. Just a little tap on the shoulder

Q: When did you next speak to Cosby?

A: Maybe a couple of days later because I remember conversing with him, like did you enjoy the meal. ~~I said the cognac was fantastic~~ 

Q: Did you contact him or did he contact you?

A: He contacted me. I don't know where he contacted me.

Q: Did Cosby ever invite you back to his home?

A: Yes

Q: Can you describe that occasion?

A: Mr. Cosby was having friends up to his house for dinner and he invited me to come up. I arrived there between six thirty and seven PM. We ate dinner, dessert. And I departed after dinner.

Q: Was there anything special that stood out about this dinner?

A: I met a lot of people from the Philadelphia restaurant community. We had a nice dinner and dessert and conversed after. We all left at the same time.

A: No

A: Yes.

Q: How many calls per week?

A: Maybe once or twice a week.

A: I was at Cosby's home a short time after the previous dinner. It was probably late February, or early March of 2002.

Q: What was the nature of that visit?

A: I was invited to a dinner. Mr. Cosby said dress nice, there will be a lot of academic people here. And that was it. He said the president of Swarthmore will be here. And some professors from Penn.

Q: Did everyone arrive at the same time?

A: Yes everyone arrived and left at the same time.

Q: What was this dinner for?

He revealed this to me in our conversation.

Q: Did anything inappropriate occur?

A: No

Q: Following this dinner, what amount of contact did you have with Cosby?

A: Limited. I was busy with my job and that had priority. I was preparing for summer basketball camps and that is the busiest time of the year.

Q: How many times did you speak with Cosby during this period?

A: Occasionally on the phone. Not in person.

Q: Did you have any other significant contact with Cosby other than the night of the incident?

A: In 2003, Cosby contacted me and said that he had an extra ticket to a jazz event in New York City. I think it was called the Year the Blues Concert. I said I don't know if I can make it. I didn't want to drive home after the concert, which could have ended at one or two in the morning. Mr. Cosby said, "Why don't you take the train, and you can stay and I'll set you up in a hotel." And I was thinking that's way too nice. He convinced me that I deserved it.

Q: Did you eventually decide to go?

A: Yes. And Mr. Cosby said, "Keep your receipts and I'll reimburse you the money."

Q: Did you ever see Cosby at this event?

A: Yes, he was on stage for a few moments but I never actually spoke to him or had any contact with him.

Q: Did you ever get reimbursed from Cosby?

A: Yes. I paid for everything with my Visa credit card and I brought my receipts to his house. He gave me the four hundred dollars in cash.

Q: Was anyone present in the home during that visit?

A: No, not that I know of. It was really short. He came to the door and I just got the money and left. Nothing inappropriate occurred.

Q: Did you ever visit any other Cosby homes?

A: Yes, once in New York City . He called me up and asked me if I was doing anything. Mr. Cosby said he was meeting with Charles Kipps and did I want to come up? I took the train and he reimbursed me the cost of the train in cash when I arrived. I used my credit card to pay for the train fare. I took a cab to the house where I was met by the butler who took my coat. I went upstairs and met with Mr. Cosby and Charles Kipps. We talked about my future in broadcasting. I had a glass of coffee. I left with Charles in a taxicab. Charles and I went to a lounge/restaurant where he had a drink and then he walked me to the train station and I went back to Philadelphia.

Q: Did anything inappropriate occur during this visit?

A: No.

Q: When did this visit occur?

A: After the "Swarthmore" dinner and before the Blues concert.

A: No, never. Just what I already told you about.

Q: Did you ever have an intimate kiss with Cosby prior to the alleged incident?

A: No

Q: Did you ever have any other contact with Cosby prior to the alleged incident?

A: I had some time off. I heard from the CEO of Foxwoods Resort/Casino in Connecticut who invited me up to the resort. Mr. Cosby was having a show there on Saturday. Mr. Cosby must have given my name to the CEO. I also heard from the General Manager. I drove up to the resort where I was met by the CEO in the lobby. He gave me my room. I dropped my bags in the room. He told Mr. Cosby wasn't there yet. The CEO told me that he was taking care of the room. *me*

Q: Did you ever see Mr. Cosby during that visit to Foxwoods?

A: Yes, I did. I arrived at about 7 in the evening on the Friday before the show. I was not going to stay for the show. The CEO went up to Mr. Cosby's room like a suite with a dinner area, living area, like a penthouse. There were already people in the room when I arrived. A GM, a CEO, a waiter, and a lady who escorted Mr. Crosby to his room. He arrived around 8:15 to 8:30 PM. I got a call from the CEO that Mr. Cosby had arrived and to come up to the room.

Q: What happened when you went to the room?

A: The waiter took his order for dinner. When we ate it was only Mr. Cosby, the CEO, and me.

Q: Was it ever you and Mr. Cosby alone together? *talked.*

Then,

A: After we ate we sat around and watched sports tv. The CEO left and it was just the two of us. The waiter had already left. ~~He asked me to come to his bedroom where he was unpacking. We sat on the edge of the bed. Then we both laid down on the bed beside each other. Our legs were touching each other but nothing sexual. He closed his eyes for like 15 minutes. I thought he was tired. It was like a really weird moment. In my head I knew I was going to leave. I thought he was resting and he was tired. When he stirred I told him I was leaving, he said alright, and at the door I gave him a kiss cheek to cheek. The next morning I got up and drove back to the Philadelphia. I never saw Mr. Cosby that morning. I just left.~~ *have* *1)* *JB*

→ I was walking around the suite and was a little restless, but I could feel that Mr Cosby was not well, that something was off, he seemed depressed or something of that nature, 12.

Q. Were you ever at any other property owned by Mr. Cosby?

A. No.

Q. Did Mr. Cosby express any other interest in your career in broadcasting other than your visit with Charles Kipps?

A. I stepped in the door and handed him the pictures. He put his hand out for the pictures and he sat down on the chair to look at the pictures. I sat down. He indicated that this wasn't my best picture. I told him they were done free. I left then and left one of the pictures there for him.

A. No.

Q: What was the day and date the alleged incident occurred?

A: I don't know the exact date. It was between mid January and mid February 2004.

A: He called me on the cell phone and because we had been in touch he knew I busy with my job and changing my career to massage therapy. He knew that broadcasting was no longer an option. He knew I was thinking about going to school for massage therapy.

Q: Did you make the plans for that evening?

A: Mr. Cosby invited me up to the Cheltenham house. He said to dress in comfortable clothing which I did. He said come up around 8:45 PM. We were just gonna talk. I had given him my phone number in Toronto.

Q: Who did Cosby say was going to be in attendance?

A: He told me that no one else would be there. We would be talking about the move, the changes.

Q: Where did you leave from?

Q: How long did it take you to reach Cosby's home?

A: Thirty five minutes.

Q: At which entrance to Cosby's home in Cheltenham did you arrive?

A: The main entrance, the front entrance. Off of Stafford Road.

Q: What did you do upon reaching the entrance to Cosby's home?

A: I called him from the street and told him I was here in the area and could I pull in the driveway. I used my Nextel phone owned by Temple. Mr. Cosby said come on in. I pulled in the driveway and went in the front door. Mr. Cosby let me in. He was in sweats. He told me to come in and exchanged greetings. I then sat down at the table near the front door. We had nothing to eat. We were just conversing. He told me he wanted me to relax. We were talking about my future and the changes in my life.

Q: How long did that conversation last?

A: Ten to fifteen minutes.

Q: Did you move your location in the house?

A: I excused myself to go to the bathroom. Prior to going in the bathroom I had seen a bottle of Evian water and a bottle of wine on the table that we had sat at. When I came out Mr. Cosby was standing by the table and I noticed that a very small amount of wine had been poured in a wine glass and water had been poured in a glass. I asked him if he had poured that for me and he responded yes. I told him that I hadn't eaten very much and didn't want to drink the wine. He said OK you can drink or you can nurse it.

Q: What happened next?

A: Mr. Cosby said he would be right back and he went up the stairs. He came back down in less the minute. When he came down he had pills in his hand. Mr. Cosby said to me "These will make you feel good. The blue things will take the edge off." I asked if their herbal and replied "Yes." "Down them. Put 'em down. Put them in your mouth."

At the same time he motioned for me to put them in my mouth. He had put them in my

He urged me to take them.

hand all three of them. I took them and he told me to take the water which I did. I said to him I trust you. I swallowed them with the water. Then he told me to taste the wine. He told me take one sip. I told him that I hadn't eaten anything today. He told me to "just taste the wine."

Q. What happened after you drank the wine and took the pills?

A. We continued our conversation at the table. We talked more about finishing things at Temple for about another twenty to thirty minutes.

Q. Did anything unusual start to occur?

A. I started to have blurred vision. I told Mr. Cosby. I told him I can't even talk Mr. Cosby. I started to panic. He told me to lay down. He came to the chair and assisted me to the room behind the formal dining room like a sitting room. He walked me over and he placed me on the sofa. He assisted me in sitting down.

Q. What did your body feel like after you drank the wine and took the pills?

A. I got scared. I thought I was having a bad reaction to something. I had no strength in my legs. They felt rubbery and like jelly. I was a little spacy. ~~I'm sure if I could make it on my own to that room.~~ Everything was blurry and dizzy. I felt nauseous. I remember that I couldn't keep my eyes open. I had no thought to call 911.

Q. What did Mr. Cosby say to you?

A. He said that he was going to lay me down on the couch. He said "I'm going to let you relax." He did not ~~seat~~ on the sofa with me.

Q. What was the position on the sofa?

A. I was lying on my left side with my knees bent. This was the last thing I remember.

Q. What were you aware of while you were lying on the sofa?

A. I wasn't aware of any sounds and my vision was blurry. I don't know where Mr. Cosby went. I don't remember a voice or sound after lying down. I knew I was on a couch, like some place stable. I had no sense of time.

Q. What do you recall happened at the sofa?

A. I recall Mr. Cosby's body near mine. I was in and out. I remember Mr. Cosby positioned himself behind me. I knew he was there but I don't know how he got there. I was aware that his hands were on my breasts. I was aware that his hands were in my pants and that his fingers were in my vagina. He was moving his fingers in my vagina. I also remember him taking my right hand and placing my hand on his penis. His penis was erect. Mr. Cosby had his penis exposed. He entered my pants from behind. I don't remember any kissing, any intercourse or oral sex. I was unable to move my body. I was pretty much frozen. ~~The blur was going on in my head.~~

Q. Were you able to say anything to him?

A. No, I was unable to speak. I was like paralyzed.

Q. Did you consent to any of these acts?

A. No, I did not.

Q. Do you know how long he was behind you?

A. I have no idea.

Q. Did Mr. Cosby ejaculate?

A. I have no idea.

Q. What happened next that you can recall?

A. I recall coming to. I came up to a sitting position. I reattached my bra. My bra was undone. I had not undone my bra before I laid down. The snap was in the back not in the front. I couldn't have done that even if I had wanted to. My bra was up over my breasts close to my neck. My sweater was bunched. I was not covered with any blanket. There was a pillow on the couch, ~~that must have come with the couch.~~ a small pillow but he did not put it there.

Q. What happened next?

A. I looked at my watch. I saw that it was around 4. I was worried about how long he done something to me. I actually had gotten up and was walking toward the door. I saw Mr. Cosby standing at the bottom of the steps. He was dressed in a robe with a v-neck, like a burgundy or a darker shade, and slippers. ~~I think like open toe~~ blue slippers. I could see his chest. He had like bumps all over his chest, like moles.

Q. Did Mr. Cosby say anything to you?

A. He said there's a muffin there. He motioned to the table. He placed a muffin on a plate where I had been sitting previously. I stayed standing up and put my jacket on. I took a couple of pieces from the muffin, ~~like~~ a mixed fruit muffin.

Q. Did you move towards the door at that time?

A. Yes. I put my jacket on and he communicated to me with his body language that it was time to go. He opened the door and stood there in his robe and I looked at him one more time. When he opened the front door he said, "Alright."

Q. Did Cosby at any time inquire as to your condition from the night before?

A. No he did not.

Q. Was there any other conversation with Cosby at that time?

A. No

Q. Did you move to your vehicle?

A. I walked to my vehicle and I drove home.

Q. Did you seek any type of medical treatment after this incident?

A. No I did not.

Q: At the time of the incident with Cosby were you using any type of birth control devices?

A: No I did not.

Q: Did Cosby contact you after this incident?

A: Yes he did. He contacted me in March by phone.

Q: Had you attempted to reach him following this incident?

A: No

Q: What was the nature of the conversation with Cosby when he called?

A: Mr. Cosby was very short and brief. He said, "We're going to a Chinese restaurant in Chinatown. There will be Honor Students and there parents from Central High." He said that there would be guidance counselors and others. He said we are going to meet there for six thirty. At first I was hesitant. I said, "OK but I would just like to talk to you Mr. Cosby. About something that has been on my mind." He said just be there. We'll see you there. The Phoenix restaurant ~~at Race and 3rd~~. He said, "we'll see you there I got to go."

Q: Did you go to the restaurant?

A: Yes I did

Q: What was your intent in going to the restaurant?

A: To confront him and discuss what had happened and what he gave to me that night that would have made that situation happen. I just wanted to confront him about it and ask some questions. *But ~~before~~ right after dinner, he talked with his guests and I did not get to speak to him about what I wanted to.*

Q: Did anyone take pictures at this event?

A: Yes, one of the parents of the young boy.

Q: Do you know their names?

A: No I don't know their names.

Q: Were there any pictures taken of you?

A: I don't know if I was in the pictures. But I think there were a couple of group shots taken.

Q: Were you sitting near Cosby at any time during the dinner?

A: No. I was sitting at the side of the table and he was at one of the ends of the table. No I did not sit near him.

Q: How long did dinner last?

A: The dinner lasted about an hour and a half.

Q: Did you have any conversation with Cosby at this dinner?

A: No I did not.

Q: Did you speak with him after the dinner?

A: Briefly. He said, "If you still want to talk to me, if so I'm going to talk to you. Come up to the house and I will talk to you."

Q: Which home did he indicate?

A: I drove up to the same house I knew on New Second St. And I pulled directly into the driveway. I may have placed a call to him on the way there to let him know that I was there.

Q: What happened next?

A: I walked in the door and sat down again at the table. I right away said I need to just ask you some questions about what happened. About the encounter that we had. Right away he blew it off and showed no interest in discussing it. He said, "I don't understand." He was confused. He didn't catch on that I wanted to confront him about.

Q: Did you ever specifically tell Mr. Cosby what you were there to discuss?

A: No. I said, "I don't know what happened but I'm uncomfortable with what happened?" He said, "Wait a minute, wait a minute, wait a minute." He quickly changed the subject. He said, "What's going on?" He walked me to the same couch in the sitting room and was clearly confused about what was going on. I never mentioned the pills. I just said, "I don't know what you did to me." He sat close to me. Too close to me and I was disturbed by that considering what had happened in that specific place. At that point I didn't think I was going to accomplish what I wanted to do. As soon as he sat down next to me I changed my sitting position away from him and I got up and started walking towards the door. I hadn't taken my jacket off at that point. I didn't want to be there and I just wanted to leave. I put my hand on the door and he just stood there. He said goodbye and I walked out the door. He said, "I don't know what's going on."

Q: Did anything inappropriate happen at this encounter?

A: No but I felt uncomfortable by his sitting that close to me.

Q: He didn't physically touch you at this time?

A: No

Q: Did you return home?

A: Yes I did.

Q: Were you able to determine the date of this dinner at the Phoenix Restaurant?

A: Yes. My mother contacted Marylyn Gordon, the guidance counselor at Central High School. She asked her if she could remember the date when the event took place. She went through her records and determined the date using a thank you letter to Mr. Cosby. My mom asked her if she had pictures from the event and she stated that one of the student's parents has pictures from that evening.

Q: Did you have any more contact with Cosby prior to returning to Canada?

A: No I did not.

Q: When did you first tell someone about this incident?

A: The first person I told was my mother and that was Jan 13, 2005.

Q: What caused you to wait almost one year to tell someone about this incident?

A: My position at Temple with the Women's basketball team, concern about my job. Even though I was leaving I had mixed feelings about saying anything at that point. I want to say that there was an element of fear. Before I was going to say anything to anyone I had to put my own thoughts and feelings together. I was emotionally shocked. I was still traumatized about the whole situation. I had some emotional distress that I was dealing with. I needed to come to terms with this on my own. I had to get clear enough about what happened so when I was ready to talk to someone I would be able to present exactly what happened. Because I wasn't physically injured and that there was no violence attached to the situation, I reasoned that there was no reason to come forward at this point because I hadn't suffered physical trauma.

Q: How did you break this news to your mother?

A: I had a flashback. The whole situation came to my consciousness. I just called my mom and said I need to tell you about something that happened to me. I said something happened a while back. I said it involved Mr. Cosby. I said one night around this time last year I was invited to Mr. Cosby's house and he gave me pills and he sexually violated me without me consenting. She said, "What did he do to you?" I said, "He fondled my breasts. He penetrated my vagina with his hand and he placed my hand on his penis." And he acted sexually on me.

Q: What was your mother's reaction?

A: She was shocked. She was devastated. She said don't worry and that she would call me from the office.

Q: Did you speak with her after she reached the office?

A: Yes. And she asked me if he penetrated me. If there was violence. If I had been injured. And then she said we're going to have to talk about this. And when I get home we'll be able to go forward.

Q: What did she advise you to do after you next spoke with her?

A: I spoke with her the next day and she had me go through the details while we were face to face. And then said we're going to have to report this to the police.

Q: Did you contact the police that same day?

A: Yes. It was Thursday January 13th.

Q: Did you contact a civil lawyer prior to contacting the Durham Police?

A: No I did not.

Q: When did you next speak to Cosby?

A. Cosby called my Toronto residence about tickets for my show at Casino Rama. It was last year around June or July. He left four tickets for us. I never met him during that visit other than his performance at Casino Rama.

Q. Who decided to call Cosby after you reported the incident to the police?

A. My mother. Her purpose was to confront him. She left a message. He returned the call on Sunday, the 16th. My mom talked to him and admitted to all the things that occurred in the incident and apologized to both me and my mother separately. He said "I'm sorry to you Andrea" and "'I'm sorry to you Mom." We were both on the phone.

Q. Has anyone told you that you could benefit financially, in anyway by reporting this incident?

A. No.

Q. Have you consulted with an attorney in regards to this incident?

A. Yes, BeBe Kivitt. She's from the Philadelphia area.

Q. Do you receive any additional calls from Cosby?

A. Yes, there were four calls on Monday, the 17th. There was a call in the evening between my mother and Mr. Cosby which she had taped. My mother used a micro-recorder from Radio Shack to record a conversation with Cosby.

Q. Did you receive any other telephone calls from other individuals representing Mr. Cosby?

A. Yes, a person named Pete from the William Morris agency called on the 19th and left a message to call him back. I returned his call. He indicated that Mr. Cosby wanted me and my mom to fly to Florida and stay at the Biltmore Hotel. These conversations were recorded. We did not go to Florida. A Martin Silver from Los Angeles called and left a message stating that he handled Mr. Cosby's educational trust funds. He wanted to set up a trust fund for me. That call was recorded from the answering machine.

Q. Will you continue to cooperate with law enforcement authorities regarding this incident?

A. Yes.

Q. Will you be willing to take a polygraph examination?

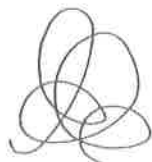

A. Yes.

Q. Did you ever tell Mr. Cosby that you were gay?

A. No.

Q. Is everything that you have told us today the truth?

A. Yes.

A: What I remember is she met with Weiss. I'm not sure if he sent her to meet Mr. Ebersol or if someone saw her. I'm not sure

Q: Did you introduce Andrea to Mr. ⁽ⁱ⁾ Kepps?

A: Yes. We had dinner with an Indian Director who is highly touted. I invited her from Philly to dinner and Charles Kipps and I were probably writing or something. We wanted this Indian woman to be a writer for ^{disorder} Cosby movie ^{the Fat Albert}

Q: Did you ever request from Andrea a resume or head shots, photographs?

A: I'm not sure. Yes

Q: Do you remember looking at photos with Andrea

A: Yes

Q: Do you ² remember saying the pictures were not that good or what you did?

A: No

Q: Did you ever send Andrea to another photographer?

A: No - not sure.

Q: Over the course of the relationship what gifts did she give you?

A: T-shirts, Temples womens basketball

Q: Any Bath salts?

A: Yes

Q: ³ Anything else?

A: Yes

Q: Photos, cartoons, a t-shirt with a cartoon superimposed

A: OK yes

Q: What would you have done with that?

A: It's probably somewhere. I don't know

Q: What gifts did you give?

A: Stopwatch, three cashmere sweater^s

Q: Did you purchase them?

A: No I think someone else purchased and mailed them to her

Q: Perfume?

A: I don't remember

Q: Are you sure about the sweaters?

A: I don't know. The perfumes may have been samples

Q: Did Andrea ever indicate she wanted a serious relationship?

A: No

Q: Did she want the relationship to go further ~~that~~ then petting?

A: No

Q: Did she ever tell you she wanted it to go further?

A: No

Q: Never any discussion about that relationship?

A: No. I don't think either one of us ever talked about it going any deeper

Q: After Andrea left and she stopped coming to your home did she ever call you? Did you stay in touch with her in Canada?

A: Yes

Q: Did you ever call her from the time she left Temple to go back to Canada?

A: I don't know.

Q: Do you recall if you talked to her at all in Canada prior to this last January?

A: Yes

Q: What for?

A: Yes. How she was doing up there. And the fact that I was coming to the Toronto area.

Q: How did you make the arrangements to meet her in Toronto?

A: We talked on the phone

Q: Was this Casino Rama?

A: Yes. That's where the show is

Q: Did you meet her family after the show in Toronto?

A: No

Q: Where did you take the photographs with her family?

A: Yes. It had to be Toronto or Hamilton Place

Q: When was Hamilton Place?

A: That was before Casino Rama. I saw her mother and her sister in a performing arts venue when Andrea was still at Temple University.

Q: At any time did you see her family after her leaving Temple?

A: No

Q: Could Andrea or her family obtain tickets for a show other than going through you?

A: If she paid for them. Other than that somebody has to call you. Andrea and I talked about tickets. What you do is get the name and get the block of tickets.

Q: On one of the phone conversations, you wanted them to go to Miami. What was the purpose?

A: I don't know what's going on. I'm feeling threatened. The mother is the dominant factor in our conversations. *my mother is* ~~Andrea appears to be someone.~~ *good girl.* *[Call me interested and I called back.]* The first time I talked when we were in California, when I realized the tone of her voice, I said put Andrea on the phone. And Andrea said, and her mother shot in and said, Andrea is so ~~the second one I called back.~~ *heartbroken* I'm in the car on the cell phone. Because, I'm feeling, her mother said to me, first conversation, Andrea does not want the publicity. Andrea is a good girl. People try to get things on her. Andrea is a good girl. So from my conversations talking about grad school and being a therapist, so I thought there was something I could do to put them back. The only thing I could see was that maybe they were upset because I wasn't calling anymore or seeing them anymore. They were upset about Andrea sending a t-shirt when I was in Toronto and I had not responded. The mother blamed me for Andrea being depressed. She, the mother, blamed me for her being depressed. She then said that Andrea was depressed and then got pneumonia.

I take all of this in and then say let's have a meeting over the weekend. I'm going to appear in Florida. I will arrange for them to go to a hotel and then we can hopefully iron out whatever these problems happen to be.

Q: After these obvious concerns, who did you contact?

A: A Marty Singer, he's a lawyer. *Laidly and Singer* *Lavely*

The reason why I called Mr. Singer was because I began to get the feeling because I could hear from the uncertainty. I don't trust the mother. I don't trust a woman who says that she does not know how long it will take her to heal

I called the attorney because I wanted them to send a letter to them to see about some kind of grad school.

Q: When did you call Mr. Singer?

A: After the phone conversation where I invited them to Florida.

Q: Can we have that cell phone number?

A: The only way you can get it is to call 310 859 4130. Ask for ROS. Tell her Massod. I used his cell phone. He is the driver.

Q: Going back to when you met Andrea for the first time, did you inquire to any one whether she was in a relationship?

A: No sir

Q: So contact developed through seeing her and through phone calls?

A: Yes sir

Q: You never made any effort to find anything out about Andrea except from Andrea?

A: No. I did eventually call and ask people about Andrea

Q: When is eventually?

A: It wasn't to find out whether she had a boyfriend.

Q: Did you check with anyone to see if she was in a relationship, did you check her out?

A: No I didn't do a background.

Q: Did you at any point in your relationship with Andrea, promise her anything?

A: Yes.

Q: What was that?

A: Well for instance, I promise that I will send you to the Morris office to see Lou Weiss. And that happened. That's about it.

Q: Did you ever promise to use you influence to advance her at Temple?

A: No

Q: Did you ever promise her a position in sportscasting?

A: No

Q: How many benedryl tablets do you take?

A: Two

Q: Right away you go to sleep?

A: Yes. I am drowsy. I would not take this and go out and perform

Q: You gave Andrea^e one and a half?

A: Yes

Q You take two full tablets?

A: Yes sir.

Q: After you talked to mom, the last time, after that conversation have they contacted you since this story broke?

A: No

Q: If they were to contact you, you would refer them to your attorney?

A: Yes

Q: Did either Andrea or her mother tell you that they were going to the police?

A: No

Q: Have you ever had people extort or blackmail you?

A: Yes

Q: What were the circumstances?

COPY

A:

Lawyer: Autumn Jackson

Q: They never told you they were going to police?

A: No

Q: Any mention or threat to go to police?

A: No

Q: Or might go?

A: No they did not

Q: Have you ever know Andrea at any time to be untruthful?

A: No

Q: When you talk about Andrea what kind of person do you talk about?

A: Our phone conversation with the mother, I said that Andrea had I think I said that she had problems connecting things. Her mother got into ritalin and that when Andrea was in school she had attention deficit. The longer we got to know each other the more I found that she had problems making connections on mental things. Which led me to ask her at the breakfast table. Andrea have you ever taken LSD. She said no. Have you ever smoked cocaine or crack. She said no. That's when I felt that she had some kind of learning disorder. Go back to the conversation with the mother. And she was saying she graduated and was very bright. But I know Andrea was not able to connect things. She was talking to me about a bus. A bus that travels and there is a big screen. And there were two guys were, were drawing up the plans and I said get a lawyer and get signatures because these guys will take the idea and you will be out in the cold. That is one of the small reasons why I said what is all this screaming about. The Andrea I know is someone I believe is either ADD or there is a learning problem. It just became work. And that's why I was happy when she found the masseusse therepy thing in Canada. And her mother said I did not want Andrea to come home. I wanted her to stay at Temple.

Q: Did Andrea ever tell you that she took any medications herbal or otherwise?

A: Spririlina.

Q: What prompted that conversation with the LSD?

A: I would say conversations. Put me in the mentor role. For example a fellow gave her a card and tells her about how she can get work or get a video made. Andrea it was just her way of not thinking clearly or even going to the fellow. Andrea if you want to be a sportscaster you have to have a video. I just got a headache telling her what to do or how not to do something.

I sent her to the track coach so that if she learned how to run, she could come back and teach the basketball team. Her coach would love her for that. She did this about four times. I would ask what lane, how fast, she would say, "what."

Q: Would you call her naive?

A: That's not the right word

Q: Are all of these statements true and correct to the best of your knowledge?

A: Yes

A: 745

A: No

Initial Conversation with Victim

Background Information

The victim currently lives with her mother in Canada in Pickering, Ontario. The victim was the Director of Operations for Temple. She was employed with Temple from 2001-2004, for three basketball seasons. While in this position the team won two Atlantic 10 Championships. Prior to working for Temple, the victim worked for Nike in marketing. The victim played professional basketball in Italy and Sicily for two years. The victim is currently enrolled in a school studying massage therapy.

Incident being Investigated:

Andrea related that she recently informed her mother of the alleged incident. She attempted to contact attorneys in Philadelphia for guidance.

The victim stated that the date of the alleged incident may have been March 16, 2004.

The victim was able to confirm this date after she called a person identified as a Guidance Counsellor for Central H.S., who was at the dinner party on the night the incident allegedly occurred. This person was not informed why the victim was seeking this information.

The complainant stated that she had been to Cosby's home 3-4 times and that the visits were always business related. She stated that she was there for dinner.

Complainant's mother placed a call to Cosby the Sunday after the incident report.

Cosby later called her residence and she got on telephone. Conference call with Cosby, mother, and victim.

Mother said Mr Cosby, I need to speak to you about something that is disturbing Andrea.

Cosby allegedly stated, "I'M IN THE HOT SEAT HERE."

Cosby later stated, "I DID NOT MEAN TO HARM YOU."

The victim asked him the name of the drug he gave her. Cosby responded by saying that he could not say the name over the phone.

He did offer, "Don't worry it won't harm you. It wouldn't have done any harm."

He knows what he did wrong. He apologized.

The Caller ID read private long distance.

Cosby offered to fly the complainant and her mother to a city to discuss the matter.

Cosby spoke of furthering victim's education and offered to help her get her graduate degree.

"I would like you to fly into a city so we can discuss certain things."

The complainant later received a series of calls from Cosby representatives.

William Morris in NYC contacted the residence. He was a publicist for Cosby. Victim answered.

We want you to go to Miami. Departing on Sunday.

Publicist has called you twice.

Sunday I did not have a recorder.

Attorneys in Philadelphia were contacted:

BB Kibbett.

Joe Cincetta.

The victim did not reach Cincetta, as he was in court. She related the incident to Kibbett, who offered her services.

"I would be willing to take a polygraph."

Local cop here.

When I was at Temple University I would never have come forward with this.

I have a degree.

I was given three of the same colored blue tablets.

I don't know. I am a person who lives in the moment.

I don't have money and I would be putting it on my VISA.

I can give you details. Of him, what he was wearing. What his house looks like. Where he laid me down.

Hd you ever been to that house before?

A: Yes. I had been to that estate four time.

On those three occassions. 1 : Chef 2: Four people over for dinner 3: COuple of professors and a president of a University. Money for some type of building.
The last time I was at his house we were alone.

Emotionally fragile.

MOTHER

We had met him when he was in Toronto.

My immediate reaction was to confront him. I didn't think he would call me back. I did not have a tape recorder at the time.
