## 51. Narrative

HADDONFIELD, NJ 08033 - 856-429-3000

On 5/7/18, Cpl. Ortiz notified me of a biased incident report that he had received from Somerdale Police. See initial report for additional details. Upon reviewing the initial report, I contacted CCPO Major Crimes to make notification as per protocall. I spoke to Det. McKeown and briefed him on the incident. He advised me that once the Biased Incident Supplement report was completed, a copy is to be forwarded to CCPO.

I notified Cpl. Ortiz to complete the Biased Incident Supplemental report. On 5/8/18, the Biased Incident Supplemental Report was approved and e-mailed to CCPO Major Crimes Det. McKeown. Subsequent copies were forwarded to NJSP UCR Unit.

On 5/9/18, Chief Stuessy advised me that Haddonfield school district superintendent had called him and requested that the school be allowed to handle the incident. I contacted CCPO Det. McKeown and advised him of this request. He conferred with CCPO Major Crimes Det. Pete Longo and they stated turning the matter over to Haddonfield school district would be permissible. This was determined due to the victim's parent's wishes from the initial report and the school's desire to address the matter. I then advised Chief Stuessy of my conversation with CCPO Major Crimes detectives.

At this point, the incident will be handled by the Haddonfield school district with the consent of CCPO. This case will be closed pending any additional details or incidents.
