

Open Letter

Dear Senator Bernard Sanders, Bernie, Husband of Jane Sanders, 2016  
Democratic Presidential Candidate and our Fearless Leader

Let us first say thank you for waking us up and exposing the rigged system that has destroyed America.

Your courage has caused millions to rise up, volunteer and take action. So many of our lives have changed dramatically over the last 6 months from broken relationships to and lasting relationships, to being called crazy, and some totally dedicating their life to this revolution. The true value of all the aforementioned is that there are no regrets of the losses or changes because of the knowledge we have gained far surpasses the losses.

Because we are apart of A **revolution** which is derived (from the Latin *revolutio*, "a turn around") or fundamental change in political power or organizational structures that takes place in a relatively short period of time when the population rises up in revolt against the current authorities. No true revolution can entertain conceding because to concede is to admit that something is true or valid after first denying or resisting it

We stand with you by the millions and for that reason We The People come to you asking and requesting that you stand strong and never Concede nor Endorse a system that is filled with corruption, greed and back door deals. We are aware of all the numbers of who has the most votes and delegates but we know all the fraud that has produced those numbers.

We know that you are inside of the system but we don't believe you are apart of the system. Please stand strong for those that have stood for, with and or still standing for you. Dr. King said that the "The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy," ~Dr. Martin Luther King Jr.

Thank You In Advance,

We are Still Sanders
