Statement from Councilwoman Donna Reed Miller: I will endorse Verna Tyner for 8th Council District Council Race

Philadelphia - Today, after months of consideration, I decided to publicly endorse Verna Tyner for the Eighth Council District race in the May 17th Primary election. My decision was based on Tyner's fifteen years of enthusiastic dedication and work that she has put into the community; and the commitment to those she represented while working for two other Council members.

Verna Tyner has a wealth of knowledge in regards to the operation of City Council and city government; and I know she has the necessary experience to represent the Eighth Council District. While so much has been accomplished, there is still a lot to be done. Verna Tyner brings with her the kind of pragmatic leadership that is required to continue this task.

While many Eighth District candidates are bogged down in idealism, they offer no real solutions. Verna knows what it takes to make things happen in city government. Furthermore, she has the requisite relationships to effectively serve the constituents of the Eighth Council District. I ask you to join me in support of Verna Tyner's candidacy.
