FLAVORS OF BONCHON:

THE BONCHON SAUCES

SOY GARLIC

Deep flavor of soy sauce with a garlicky kick. Soy sauce and garlic are essential seasoning ingredients in Korean cooking, used as often as salt and pepper to enhance the flavors of many dishes!

HOT SAUCE

Made with fiery and spicy red chili peppers. Red chili peppers are dried and ground up into the sweet and smoky spice Koreans call 'gochugaru' (literally 'pepper powder'). This is the key ingredient in our flaming hot sauce.

HALF & HALF

At Bonchon you can get the best of both worlds! Half Soy Garlic and half Hot Sauce, an experience like no other!

PICKLED DAIKON RADISH

These cool, crisp, bite-sized cubes of daikon radish offer a sharp and sweet contrast to our savory chicken! They'll also soothe your tongue after each bite of our hot wings!

What's more?! Daikon radish is abundant in vitamin C and digestive enzymes known to help process protein, fat and carbohydrates!
