Atlantic City isn't just a destination for gaming. It's also where you'll find designer shopping, the famous Boardwalk, a beautiful beach, five-star dining and top performers like Lady Antebellum and Blake Shelton, all in one place. No wonder our beaches, Boardwalk and hotels have been full of people doing AC all summer.

And with upcoming events like the Boardwalk Wine Promenade, the Atlantic City Seafood Festival, the Pro Beach Volleyball Invitational and concerts by Train, Rascal Flatts and Aerosmith, chances are there will always be something for you to do, too.
